

URBAN

The product family URBAN is an LED recessed wall luminaire, that was specially designed for outdoor areas and is available in two sizes, as URBAN and MINI URBAN.

URBAN 65 as the larger model, MINI URBAN as a more compact version.

The URBAN impresses with an almost glare-free light for – for a high visual comfort.

Both models are protected with the protection rating IP65 and are therefore, ideally suited for demanding applications in outdoor areas. As a result of the simple, unobtrusive design, the luminaire fits in almost any environment.
